

CONTENT GUIDE AND ABBREVIATIONS USED

Program Summaries, Project Location Maps, and Project Descriptions on the State Highway System identified for the **Fiscal Year 2004 through 2008 Proposed Highway Improvement Program** are included in this document. The lists are identified within the department's nine geographic Highway Districts. Any text shown in [blue](#) is a link (i.e. a single click with your mouse anywhere on the blue text will take you directly to that page). If you are reading this document with Version 4.x of Adobe Acrobat Reader, you will also have access to a complete list of bookmarks that will also take you to the page of your choice.

The following sequence is used within the District Project listing:

1. Interstate marked routes in ascending numerical order
2. United States marked routes in ascending numerical order
3. Illinois marked routes in ascending numerical order
4. Unmarked routes in alphabetical order by street name

The cost of each project is shown in estimated FY 2004 dollars. The actual cost of a project listed for FY 2004-2008 can vary, depending on when it is implemented in the five-year period.

The listing of projects is arranged in four columns:

<u>Route Street Name</u>	<u>County</u>	<u>Location Improvement</u>	<u>Estimated Cost Dollars</u>
Identifies the marked route(s) and street name	Identifies county(s)	Identifies limits, length and location of the project, and type of improvement	Identifies the estimated FY 2002 cost

Projects scheduled for FY 2004 utilizing existing revenues are identified in the left margin of the project listing by an asterisk (*).

The department is required to list the number of years a project has appeared in the five-year program. The FY 1999-2003 was the initial five-year program in which all projects were considered in year one. This publication and future publications will relate to the FY 1999-2003 starting point. This number is shown below the Route/Street Name.

ABBREVIATIONS USED

ADA	Americans with Disabilities Act	INTCHG	Interchange
AVE	Avenue	ITEP	Illinois Transportation Enhancement Program
BAC	Belleville Area College	ISTEA	Intermodal Surface Transportation Efficiency Act of 1991
BI-DIRECT	Bi-Directional	ISTHA	Illinois State Toll Highway Authority
